## LETTER FROM BEAR

We are happy to present our 2023 Christmas Gift Guide showing highlights from the brands we stock at BEAR. There is plenty more available at our Petworth shop, so do pop in to see us.

As we are now going into Winter mode, we have many new pieces in stock at BEAR to keep us content through the cold, dark months ahead. Our latest arrivals include luxury sheepskin pieces by Shepherd of Sweden and handmade rattan items from ethical brand Kalinko. Pops of colour from the Mediterranean via Mdina Glass will lift any interior, and we have beautiful hand-blown glassware for the table and lamps.

We have our annual dose of cuteness for Christmas by Ichendorf Milano, and they have really outdone themselves this year! Our Italian leather goods now include jewellery, cufflink boxes, watch rolls and frames in new colours, and many new designs of our popular Italian-made BEAR wood photograph frames.

You can now shop many of our ranges on our website [www.bearpetworth.com](http://www.bearpetworth.com). Alternatively, we continue to take orders by email at [info@bearpetworth.com](mailto:info@bearpetworth.com) or by telephone: 01798 651066 for which we can take payments by phone or using a simple email link for safe payment.

As always, we offer complimentary gift wrapping on all orders from the gift guide, click-and-collect from the shop or free local delivery. We send parcels by post or courier in the most cost-efficient way. Let us know if you would like us to post directly to someone on a particular day or request a gift note with a parcel. We are happy to do whatever we can to make gifting easy this Christmas.

We hope to see you at our Petworth shop and send you all our best wishes for the festive season ahead.

From Claire and the BEAR team
